Definitions of Performance Rating Terms

- * Technical Skill Attainment --- The percentage of students enrolled in career and technology courses at the center who earn a 2.0 or above on the final course grade.
- * Graduation Rate --- The percentage of 12th grade career and technology students who graduate in the spring.
- * Placement Rate --- The percentage of career and technology completers available for placement over a 3-year period who are actually placed in postsecondary instruction, military services, or employment.

Report of Director and School Improvement Council

During the 2011-2012 school year, Lee County Career & Technology Center (LCCTC) served 513 students unduplicated count from Lee Central High School, which is the only public high school in Lee County. LCCTC is accredited by the Southern Association of Colleges and Schools (SACS).

LCCTC is committed to preparing the high school students of Lee County School District with skills and knowledge necessary to pursue a post-secondary education, or enter the workforce prepared and capable of being competitive in a global society. Programs offered to our students include: Automotive Technology, Cosmetology, Early Childhood, Teacher Cadet, Health Science, Electricity, Foods and Nutrition, Horticulture, Marketing, Business Management, Accounting, Welding and Certified Nursing Assistant (CNA).

LCCTC students are encouraged and given opportunities to participate in professional student organizations related to their area of study. Chapters of Health Occupation Students of America (HOSA), Future Farmers of America (FFA), Family, Career & Community Leaders of America (FCCLA), and Skills USA provide opportunities for leadership training and competition on a local, state, and national level. Several students competed on the state level in FFA and Skills USA.

LCCTC awarded the completer's certificate to 42 CATE students who completed four elective units in a program of study. Twelve students were inducted into the National Technical Honor Society (NTHS). LCCTC had eight students to earn the Certified Nursing Assistant certificate. All of the completers at LCCTC took the Work Keys assessment. More than 85% of the students scored at the Silver and Gold levels. 100% of the students in our Cosmetology program took and passed the SC State Board of Cosmetology exam.

The faculty and staff invite the community to visit the school to learn more about how career and technical education is an essential component of every high school student's educational experience. We are committed to finding ways for every student to have an opportunity to connect what they learn academically to their eventual career choice.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	N/AV
Overall Grade Conversion	N/AV

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Lee County Career & Technology Center school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
